

Litigator

The Advantage Co. of Williamsville NY, a wide-ranging enterprise that encompasses fashion, beauty, technology, restaurant, staffing, retail electronics and lifetime service and brand development is looking for an in-house corporate litigator. Position will work directly for founder and in conjunction with internal in-house counsel and outside hired counsel when necessary. Minimum of 7 years commercial litigation court-room experience required. Starting salary to \$125,000 depending on relevant experience. The position is located at the Advantage Co.'s headquarters at the Walker Center and working internally at its management company, Advantage Global Resources. Advantage Global Resources manages a client base of 50+ world wide corporations and an international client base. In addition to compensation package, there is also fee participation and partnership opportunity in soon to be launched Advantage Legal & Fiduciary start-up.
