This full-day program meets the legal requirements certified by the NYS Office of Court Administration Guardian and Fiduciary Services; therefore, all participants of this program are eligible for enrollment on the list of the Chief Administrator, pursuant to Part 36 of the Rules of the Chief Judge, in the category of "Guardian, Court Evaluator, and Attorney for Alleged Incapacitated Person."

This program takes a functional approach to determining whether an alleged incapacitated person requires a guardian and places a premium on employing the least restrictive intervention to preserve independence and self-determination. Article 81 requires the appointment of a court evaluator in all cases to determine the functional strengths and weaknesses of the alleged incapacitated person, to explain the court proceedings and to advise the person of his or her rights, including the right to counsel. The authority and powers of the guardian are then tailored to the specific needs of the incapacitated person and may be reduced or increased over time as the person's needs change. You will hear from attorneys, court representatives and others with expertise in this important area of practice.
