

WEBSURROGATE PUBLIC ACCESS TO ERIE COUNTY SURROGATE'S COURT RECORDS

Limited internet access to Erie County Surrogate's Court records is now available. WebSurrogate allows the public to access court records outside of the courthouse. The limitations to access are:

- Access is limited to documents filed **on or after 02/19/2014**. No documents filed prior to 02/19/2014 will have links to view contents. Public users may continue to view documents filed prior to 02/19/2014 using WebSurrogate on the public computers at Erie County Surrogate's Court's Public Access Room (201), 2nd Floor, 92 Franklin St. Buffalo NY 14202.

You can now search the will module on the WebSurrogate site for wills filed for safekeeping at the Court. Please note that there are no date restrictions.

The public can search Surrogates' Court records from personal computers and mobile devices using the following link or QR Code:
